SFPUC Seeking 200 MW of Renewable Energy Supplies for CleanPowerSF
Request for Offers Accepted Through July 26, 2017

San Francisco, CA - The San Francisco Public Utilities Commission (SFPUC) is accepting bids for the CleanPowerSF program through [PRO.0077 Renewable Energy Supplies](#).

This Request for Offers for Renewable Energy seeks bids of energy (and Resource Adequacy capacity, if available) from new and existing Eligible Renewable Energy Resources (ERRs), as defined in California Public Resources Code Section 25741. The SFPUC seeks bids for energy, environmental attributes, and capacity for the CleanPowerSF program that meet the following criteria:

- New or existing ERRs;
- Minimum annual energy delivery of 25,000 megawatt-hours (MWh) per year and a maximum of 500,000 MWh per year;
- Initial delivery date ranging from May 2018 – December 2021;
- Terms ranging from 1 year to a maximum of 25 years.

A pre-submittal conference will be held on Thursday, June 29, 2017 at 11 a.m. Attendees may log in to the conference at the following URL: webmeeting.att.com . Meeting Number: 877-402-9753, Access Code: 182342.

More information regarding this contracting opportunity can be found online at: <https://sfbid.sfgwater.org/opportunity/details/?cid=77#tab=details>. Bidders are required to register an account on the SFBid website in order to download and view RFO documents, and to submit proposals.

Bidders are encouraged to submit a non-binding Notice of Intent to Bid (NOI) by **June 29, 2017 at 5:00 PM**, via email to RFP@sfgwater.org. The NOI form can be found in Attachment A of the RFO.

All bids must be submitted through SFBid no later than **5:00 pm on Wednesday, July 26, 2017**.
