* Effective November 6, 2012, The City may consider relevant experience of a Candidate's Principal Staff (owners, partners, principal officers, senior project managers) responsible for making significant administrative and business decisions on behalf of the Candidate's firm. The City will credit any relevant experience of such senior personnel toward the qualification requirement only if:

(i) the bidder demonstrates, to the satisfaction of the City, that the individual's prior experience with another firm/entity is predictive of the bidder's performance under this Contract based on the individual's present management/supervisory role with the Candidate's firm and the individual's anticipated involvement in the management/supervision of the Work under this Contract; and (ii) the individual has been employed by or associated with (i.e., as an owner, partner or officer) the Candidate's firm for a period of at least 2 years prior to the date listed on the candidate firm's prequalification application.
