

\$3,000/yr RENEWABLE SCHOLARSHIPS FOR STUDENTS IN THE BAYVIEW

the
maisin
scholar award
A Program of the San Francisco Education Fund

The Maisin Scholar Award is excited to share three scholarship opportunities made possible in partnership with Carollo Engineers, Water Resources Engineering, and the San Francisco Public Utilities Commission. In addition to the 75 scholarships we offer, students residing in the Bayview-Hunters Point district will also be considered for the following awards:

- **\$3,000/year renewable scholarship for a Bayview-Hunters Point student interested in STEM careers.**
- **\$3,000/year renewable scholarship for a Bayview-Hunters Point student of Latino descent.**
- **\$3,000/year renewable scholarship in honor of Dr. Espanola Jackson, a long-time civil rights and community advocate for the Bayview-Hunters Point neighborhood.**

Why should I apply?

Maisin Scholars can receive up to \$3,000 a year for up to four years for their college education. In addition to financial support, we also provide our students with academic and career counseling as well as professional development opportunities.

Who can apply?

SFUSD high school seniors with a cumulative unweighted GPA between 2.0 and 3.5 who will attend college or a vocational program in Fall 2019 may apply.

How do I apply?

Visit sfedfund.org/maisinscholaraward to learn more and complete the application. We require a personal statement, transcript, and two letters of recommendation.
