10. Workshop: Overview of the Sewer System Improvement Program including update on New Headworks Facility and Biosolids Digester Facilities Projects. Howard Fung, Acting Wastewater Enterprise Capital Manager, began the presentation with a review of two project delivery models Design-Bid-Build (DBB) and Construction Manager/General Contractor (CM/CG). He indicated the CM/CG model was selected for the Headworks and Biosolids project. Mr. Fung outlined CM/CG advantages vs DBB and CM/CG considerations. He reviewed cost estimating and then discussed CMCG Risk mitigation, including the types of risk, noting risk mitigation under CM/CG provides greater flexibility than DBB.

Jignesh Desai, Senior Project Manager, continued with an update for the Southeast Plant New Headworks Facility Project update and a review of the project’s objectives, and scope. He discussed the program schedule and explained the DBB vs CM/CG schedule, noting the DBB is a linear progression and the CM/CG has concurrent design and construction. Mr. Desai continued with a review of risk mitigation, cost increases, and construction progression. He reviewed the bid packages and indicated that 24 packages (Scope I and II.A) were awarded, 15 bid and award (Scope III first wave), and 78 packages are to be advertised (48 for remaining Scope III and 30 for Scope II.B and II.C). He displayed a conceptual rendering of the facility and stated the project received the Envision Gold Award from the Institute for Sustainable Infrastructure.

GM Kelly, Jr. responded to questions from Commissioner Moran regarding what was included in the 10-Year Capital Budget, budgeting for program contingency, Sewer System Improvement Program (SSIP) reserves, risk management, and re-baselining. Brief discussion ensued.
Mr. Desai responded a question from President Caen as to where the 54” wet weather pipe will go.

Carolyn Chiu, Senior Project Manager, continued with a review of the projects location and purpose, objectives, and key features. She presented renderings of the current site layout, eastern aerial view, and building information modeling.
site layout. She reviewed the current project status, CM/CG risk mitigation, construction cost progression.

GM Kelly, Jr. responded to a request from Commissioner Paulson that staff be diligent about ensuring there are no problems with infrastructure to avoid issues that are faced at some San Francisco construction sites.

GM Kelly, Jr. responded to a question from Commissioner Moran as to the status of the budgeting process. Brief discussion ensued.

Commissioner Moran asked that staff respond to Mr. DaCosta’s comments under item #4, General Public Comment, regarding electric transmission and electric requirements for the digesters. GM Kelly and Mr. Fung provided response.

Public Comment
- Francisco DaCosta discussed adverse impacts on the Bayview community, task force work and findings, and concerns with the project.
- Steve Lawrence expressed concern with the digester project and possible cost over-runs. He requested that close attention be paid to the project and thanked the Commission for their concerns.

11. Approve the terms and conditions of and authorize the General Manager to execute a Purchase and Sale Agreement in the amount of $9,650,000 for the purchase of approximately 787 acres of agricultural land commonly known as the Wool Ranch, in the unincorporated Town of Sunol in Alameda County, California, from Barton E. Wool, Brian O. Wool, as Trustee of the Jeffrey B. Wool Living Trust, Scott A. Wool, and Sharon J. Wright, as tenants in common. This action constitutes the Approval Action for the project for the purposes of California Environmental Quality Act, pursuant to Section 31.04 (h) of the San Francisco Administrative Code. (Resolution 19-0144)

Michael Carlin, Deputy General Manager (DGM), introduced the item and requested approval.

President Caen departed the hearing room at 3:08 PM.

DGM Carlin responded to a question from Commissioner Maxwell as to what is being done with any buildings on the property, if there are passive uses, who maintains the property, and fire safety management.

President Caen returned to the hearing room at 3:13 PM.

On motion to approve Item 11
Ayes: Caen, Moran, Maxwell and Paulson
No public comment.
