1. Call to Order
President Caen called the meeting to order at 1:34 PM.

The Commission Secretary announced that item 7 was being removed from the agenda and will be rescheduled to December 10, 2019.

2. Roll Call
Present: Caen, Vietor, Moran, and Maxwell
Commissioner Paulson arrived at 1:50 PM.

3. Approval of the Minutes of November 12, 2019
On Motion to approve the Minutes of November 12, 2019:
Ayes: Caen, Vietor, Moran, and Maxwell

No public comment.

4. General Public Comment
   • Francisco DaCosta discussed the Tuolumne River and requested that common ground be found and a meaningful discussion about the Tuolumne take place with the First People.

5. Communications
   a) Advance Calendar
   b) Correspondence Log
   c) Contract Advertisement Report
   d) Water Supply Conditions Update

   No public comment.

   a) Hetch Hetchy Capital Improvement Program Quarterly Report
      Dan Wade, Director, Water Capital Programs, presented highlights of the reporting period: (1) Mountain Tunnel Interim Repairs (completed), (2) Mountain Tunnel Improvement Project Mitigated Negative Declaration under CEQA issued, (3) Warnerville Substation Rehabilitation (deleted the installation of 230kV breakers from scope), (4) Lower Cherry Aqueduct Rehabilitation achieved substantial completion, and (5) Early Intake Switchyard Slope Hazard Mitigation awarded with notice-to-proceed issued in September.

   Public Comment
   • Francisco DaCosta discussed Mountain Tunnel, asked how much Jacobs was paid, and what work they did. He discussed the Warnerville Substation Rehabilitation and its relation to the Digester Project.

   b) Update on PG&E’s Bankruptcy and City’s Acquisition Offer
Michael Carlin, Deputy General Manager (DGM) stated there was nothing new to report.

Commissioner Paulson arrived at 1:50 PM.

c) Operating and Capital Budget Development Update

Charles Perl, Deputy Chief Financial Officer (CFO), reviewed: (1) budget development schedule, (2) budget development priorities (strategic plan goal areas, Commission policies, and budget process enhancements), (3) Operating Budget (3% annual operating budget increase – covers inflationary and negotiated labor increases), and (4) Capital Budget.

Deputy CFO Perl responded to a question from Vice President (VP) Vietor regarding the need to include Climate Change in the budget discussions.

Commissioner Moran discussed the following: (1) Need to hold-the-line on operating costs and, when possible, fund new needs from savings in other areas. He will look at new program funding for clear and convincing efforts to capitalize on operating budget savings; (2) He will look for evidence that positions meet current needs regarding temporary-to-permanent position conversions, (3) Hetch Hetchy fund balance reserve is a problem. He requested that Hetch Hetchy’s budget policy level reserve be restored with a supplemental appropriation early in the year; and (4) Requested a presentation during budget hearings for a strategy to deal with stranded assets.

Public Comment

- Francisco DaCosta discussed the budget process and stated that technology and engineering (needs assessment) is missing. He stated quality of life issues need to be addressed.

d) Report on Recent San Francisco Public Utilities Commission Activities, Events and Announcements

None.

7. Update on Disaster Recovery and Resiliency Planning as it Relates to the Sewer System Improvement Program

This item was removed from the agenda and will be rescheduled for December 10, 2019.

Nicole Sandkulla, BAWSCA CEO, began by noting that BAWSCA was formed in 2003 to represent the interests of 26 water suppliers in San Mateo, Santa Clara, and Alameda Counties, with 1.8 million residents and more than 40,000 business and community organizations, all who rely on the Hetch Hetchy system. She continued with discussion of (1) BAWSCA’s goal, (2) BAWSCA agencies investment in conservation and increasingly diverse
water supply portfolio, (3) BAWSCA taking action to ensure reliability, (4) BAWSCA support for member agency Urban Water Management Plan (UWMP) development, (5) Preparing UWMP - water demands, (6) Twenty-three percent less water used today in BAWSCA region compared to FY 1986-87 despite a 31% population increase, (7) Residential per capita has decreased by 45% in BAWSCA region, (8) BAWSCA Demand Study to project member agency water demands through 2045 (historical analysis, drought recovery, and service area changes), (9) Preparing UWMP - water supply, (10) BAWSCA agencies committed to investments in conservation and supply diversification, (11) Preparing UWMP - water reliability, (12) Planning efforts will evaluate need for additional dry year supplies, and (13) BAWSCA agencies actively planning for future water needs, including use of SFPUC supply.

CFO Sandkulla responded to a question VP Vietor regarding the “real” number between demand and usage, given growing delta between usage and supply assurance. CFO Sandkulla noted the supply assurance is a legal, not contractual, requirement. Commission Moran provided additional comment on the supply assurance. Brief discussion ensued.

Public Comment
• Francisco DaCosta complemented CFO Sandkulla for her presentation. He discussed the advanced age of water pipes and asked if a needs assessment has been conducted and determine how many are leaking.

9. New Commission Business
Vietor requested an update regarding a possible joint meeting with the Planning Commission to discuss Water Supply Assessments (WSA). Assistant General Manager (AGM) Ritchie indicated that he will be presenting to the Planning Commission in early December regarding the UWMP and WSA. President Caen provided clarification on the WSA approvals and what is the SFPUC is being asked to approve. DGM Carlin provided additional information. Commissioner Moran reviewed past Commission discussions and noted it was agreed that SFPUC staff would make a formal presentation to the Planning Commission. He discussed the recently approved SFPUC policy regarding WSAs. AGM Ritchie will provide the Commission with an update, to include his presentation to the Planning Commission, at the December 10, 2019 meeting.

No public comment.
