MASTHEAD

Agreement by and between the Northern California Chapter of the National Electrical Contractors Association (NECA), Alameda County Branch, and Local Union No. 595, IBEW.

It shall apply to all firms who sign a Letter of Assent to be bound by the terms of this Agreement.

As used hereinafter in this Agreement, the term “Chapter” shall mean the Northern California Chapter, Alameda County Branch, NECA, Inc., and the term “Union” shall mean Local Union No. 595, IBEW.

The term “Employer” shall mean an individual firm who has been recognized by an assent to this Agreement.

BASIC PRINCIPLES

The Employer and the Union have a common and sympathetic interest in the Electrical Industry. Therefore, a working system and harmonious relations are necessary to improve the beneficial relationship between the Employer, the Union and the public. Progress in industry demands a mutuality of confidence between the Employer and the Union.

The Union recognizes the desirability of dealing with reputable and stable Employers. The Employer recognizes the responsibility of supplying the public with services performed by experienced personnel who can effectively install, service and maintain electrical installations in an efficient and safe manner prescribed by the National Fire Protection Association (NFPA), federal, state and local laws and ordinances.

The Employer finds it economically impossible to maintain or recruit his manpower requirements for the intermittent and temporary character of the work inherent in the Building Trades Industry. Therefore, the Employer desires to avail him/herself of a proven method of securing trained personnel on short notice and requests the Union to assist him/her in meeting this public responsibility. All will benefit by continuous peace by adjusting any differences by rational, common sense methods. Now, therefore, in consideration of the mutual promise and agreements herein contained, the parties hereto agree as follows.

No employee covered by the provisions of the Agreement will be discriminated against on the basis of his or her race, color, sex, gender identification, sexual orientation, marital status, religion, age, national origin or ancestry, with regard to hiring, promotion, termination, or any other term or condition of employment. The intent and purpose of this Section is to meet the spirit and letter of all federal and state laws, regulations and executive orders that deal with equal employment.

ARTICLE I

Effective Date – Termination – Amendments – Disputes

Effective Date

Section 1 [1.01]

This Agreement shall take effect June 1, 2019, and shall remain in effect until May 31, 2023, unless otherwise specifically provided for herein. It shall continue in effect from year to year thereafter, from June 1 through May 31 of each year, unless changed or terminated in the way later provided herein.
Changes, Termination and Arbitration

Section 2 [1.02]

Subsection (a) Either party or an Employer withdrawing representation from the Chapter or not represented by the Chapter, desiring to change or terminate this Agreement must provide written notification at least 90 days prior to the expiration date of the Agreement or any anniversary date occurring thereafter.

Subsection (b) Whenever notice is given for changes, the nature of the changes desired must be specified in the notice, or no later than the first negotiating meeting unless mutually agreed otherwise.

Subsection (c) The existing provisions of the Agreement, including this Article, shall remain in full force and effect until a conclusion is reached in the matter of proposed changes.

Subsection (d) In the event that either party, or an Employer withdrawing representation from the Chapter or not represented by the Chapter, has given a timely notice of proposed changes and an agreement has not been reached by the expiration date or by any subsequent anniversary date to renew, modify, or extend this Agreement, or to submit the unresolved issues to the Council on Industrial Relations for the Electrical Contracting Industry (CIR), either party or such an Employer, may serve the other a ten (10) day written notice terminating this Agreement. The terms and conditions of this Agreement shall remain in full force and effect until the expiration of the ten (10) day period.

Subsection (e) By mutual agreement only, the Chapter, or an Employer withdrawing representation from the Chapter or not represented by the Chapter, may jointly, with the Union, submit the unresolved issues to the Council on Industrial Relations for adjudication. Such unresolved issues shall be submitted no later than the next regular meeting of the Council following the expiration date of this Agreement or any subsequent anniversary date. The Council’s decisions shall be final and binding.

Subsection (f) When a case has been submitted to the Council, it shall be the responsibility of the negotiating committee to continue to meet weekly in an effort to reach a settlement on the local level prior to the meeting of the Council.

Subsection (g) Notice of a desire to terminate this Agreement shall be handled in the same manner as a proposed change.

Amendment by Mutual Consent

Section 3 [1.03]

This Agreement shall be subject to change or supplement at any time by mutual consent of the parties hereto. Any such change or supplement agreed upon shall be reduced to writing, signed by the parties hereto, and submitted to the International Office of the IBEW for approval, the same as this Agreement.

Grievances – Disputes

Section 4 [1.04]

During the term of this Agreement, there shall be no stoppage of work either by strike or lockout because of any proposed changes in this Agreement or dispute over matters relating to this Agreement. All such matters must be handled as stated herein.
Composition of Labor-Management Committee
Section 5 [1.05]

There shall be a Labor-Management Committee of three representing the Union and three representing the Employers. It shall meet regularly at such stated times as it may decide. However, it shall also meet within 48 hours when notice is given by either party. It shall select its own Chairman and Secretary. The Local Union shall select the Union representatives and the Chapter shall select the management representatives.

First Step of Grievance Procedure
Section 6 [1.06]

All grievances or questions in dispute shall be adjusted by the duly authorized representative of each of the parties to this Agreement. In the event that these two are unable to adjust any matter within 48 hours, they shall refer the same to the Labor-Management Committee.

Decision of Labor-Management Committee
Section 7 [1.07]

All matters coming before the Labor-Management Committee shall be decided by a majority vote. Four members of the Committee, two from each of the parties hereto, shall be a quorum for the transaction of business, but each party shall have the right to cast the full vote of its membership and it shall be counted as though all were present and voting.

Arbitration
Section 8 [1.08]

Should the Labor-Management Committee fail to agree or to adjust any matter, such shall then be referred to the Council on Industrial Relations for the Electrical Contracting Industry for adjudication. The Council’s decisions shall be final and binding.

Status Quo
Section 9 [1.09]

When any matter in dispute has been referred to conciliation or arbitration for adjustment, the provisions and conditions prevailing prior to the time such matters arose shall not be changed or abrogated until agreement has been reached or a ruling has been made.

Grievance Procedure
Section 10 [1.10]

Employee grievances brought pursuant to this Agreement will not be considered timely unless the Employer receives notice of such claim within thirty (30) days of the date the alleged violation of the Agreement occurred or within thirty (30) days of the date by which the employee could have been reasonably expected to make such a claim, whichever occurs later. The terms of this Section will have no application to, and in no way affect, the right of the Trustees of fringe benefit plans, which exist pursuant to this Agreement, to proceed against delinquent Employers. It is the intent of the parties that the Trustees of said funds shall in no way be limited by this Section.
ARTICLE II

Employer Rights – Union Rights

Employer Qualifications

Section 1 [2.01]

Subsection (a) Certain qualifications, knowledge, experience, and proof of financial responsibility are required of everyone desiring to be an Employer in the Electrical Industry. Therefore, an Employer who contracts for electrical work is a person, firm, or corporation having these qualifications and maintaining a place of business, a suitable financial status to meet payroll requirements and employing at least one Journeyman Wireman. Such Employer must be in possession of a valid state license as an Electrical Contractor and shall employ at least one Journeyman regularly.

Subsection (b) To provide the Union with more flexibility in organizing non-signatory employers, electrical contractors who presently have no additional electrician employees shall be eligible to sign the Agreement. This provision does not excuse the Employers from any of the other requirements in Subsection (a) above. The Union and the Association will jointly develop monitoring, reporting and control procedures to assure the other union Employers that the “single employers” are paying all costs under the Agreement and complying with all specified terms and conditions.

Management Rights

Section 2 [2.02]

The Union understands the Employer is responsible to perform the work required by the owner. The Employer shall, therefore, have no restrictions except those specifically provided for in the collective bargaining agreement, in planning, directing and controlling the operation of all his work, in deciding the number and kind of employees to properly perform the work, in hiring and laying off employees, in transferring employees from job to job within the Local Union’s geographical jurisdiction, in determining the need and number as well as the person who will act as Foreman, in requiring all employees to observe the Employer’s and/or owner’s rules and regulations not inconsistent with this Agreement, in requiring all employees to observe all safety regulations, and in discharging employees for proper cause.

Foreman Call-Out By Name

Section 3 [2.03]

The Employer shall have the right to call a Foreman by name provided:

a. The Employee has not quit or been terminated for cause from his previous employer within the past 30 days.

b. The Employer shall notify the Business Manager in writing of the name of the individual who is to be requested for employment as a Foreman. Upon such request, the business manager shall refer said Foreman provided the name appears on the highest priority group.

c. When an Employee is called as a Foreman, he must remain as a Foreman for 1,000 hours or must receive a reduction in workforce.

d. The employee must have completed a Labor Studies class, a NECA Foreman Training class, an OSHA-10 class, and have current first aid and CPR certification.

e. Except for books, all NECA or JATC sponsored classes shall be offered at no cost to the employee.
Worker’s Compensation Insurance  
Section 4 [2.04]
For all employees covered by this Agreement the Employer shall carry Worker’s Compensation Insurance with a company authorized to do business in this State, Social Security and such other protective insurance as may be required by the laws of the State, and shall furnish satisfactory proof of such to the Union. He shall also make payments to the California Unemployment Compensation Commission for all employees covered by the terms of this Agreement.

Favored Nations Clause  
Section 5 [2.05]
The Union agrees that if, during the life of this Agreement, it grants to any other Employer in the Electrical Contracting Industry on work covered by this Agreement, any better terms or conditions than those set forth in this Agreement, such better terms or conditions shall be made available to the Employer under this Agreement and the Union shall immediately notify the Employer of any such concession.

Manpower Portability  
Section 7 [2.07]
An Employer signatory to a collective bargaining agreement or to a letter of assent to an agreement with another IBEW Local Union, who signs an assent to this Agreement, may bring up to four bargaining unit employees employed in that Local Union’s jurisdiction into this Local’s jurisdiction and up to two bargaining unit employees per job from that Local’s jurisdiction to this Local’s jurisdiction for specialty or service and maintenance work. All charges of violations of this section shall be considered as a dispute and shall be processed in accordance with the provisions of this agreement for the handling of grievances with the exception that any decision of a local labor-management committee that may be contrary to the intent of the parties to the National Agreement on Employee Portability, upon recommendation of either or both the appropriate IBEW International Vice President or NECA Regional Executive Director, is subject to review, modification, or rescission by the Council on Industrial Relations.

Designated Management Worker  
Section 8 [2.08]
Subsection (a) Each Employer may designate up to one (1) management representative ("DMW"), who may be either an owner or an employee, to “work with the tools.” The DMW shall not be subject to the referral procedure but shall comply with all working hours and conditions of the Agreement for all covered work subject to the following specific provisions:

1. Out-of-area contractors may utilize such a DMW or an employee referred through other Local IBEW referral procedures under the provisions of Article II, Section 8 of the Agreement but shall pay fringe contributions on DMW hours on the same basis as employee hours.
2. A signatory Employer shall be permitted to utilize a DMW provided that the Employer maintains on a full-time basis at least one (1) employee referred under the Agreement.

3. Unless the DMW is a proprietor, partner, or principal operating officer of a signatory company, the Union security provisions of the contract shall apply.

4. The DMW of an Employer with a permanent place of business within the jurisdiction of this Agreement shall be paid wages and fringe contributions in accordance with the Agreement.

5. Each DMW must be registered with the Union prior to the performance of any work under the Agreement.

6. A DMW must have been on the Employer’s “non-field” payroll for at least ninety- (90) days prior to being assigned to perform work under the Agreement.

Subsection (b) The provisions of this Section may be reopened at any time by mutual consent, or unilaterally on the first of any month, upon thirty (30) days’ advance written notice to the other party.

Avoidance of the intent of this Section shall not be permitted by the pretense of ownership of the business by an immediate member of the family.

**Contractor Eligibility**

**Section 9 [2.09]**

Employees subject to this Agreement except those meeting the requirements of “Employer,” as defined herein, shall not contract for any electrical work.

Employees subject to this Agreement who may become Electrical Contractors shall do no work as Journeymen or as Apprentices, except in case of emergency for the protection of life or property.

Avoidance of the intent of this Section shall not be permitted by the pretense of ownership of the business by an immediate member of the family. This is subject to provisions of Article II, Section 8.

**Loaning of Men**

**Section 10 [2.10]**

Employers shall not loan their employees to another Employer without first securing the permission of the Business Manager and then only when applicants possessing the required skill are not available under the referral procedure.

**Stewards**

**Section 11 [2.11]**

Subsection (a) The Union shall have the right to appoint a steward at any shop or on any job where workers are employed under the terms of this Agreement. Such stewards shall be appointed from the employees of the individual Employer and shall see that this Agreement and working conditions are observed, and he/she shall be allowed sufficient time to perform these duties during regular working hours.

Subsection (b) The Business Manager shall notify the Employer of the appointment of the steward.

Subsection (c) The Employer shall notify the Union at least twenty-four (24) hours in advance of the termination, layoff or discharge of a steward, except where terminated for cause.
Subsection (d) Under no circumstances shall any Employer dismiss or otherwise discriminate against an employee for making a complaint or giving evidence with respect to an alleged violation of any provision of this Agreement.

**Code of Excellence Steward**

Subsection (e) A Code of Excellence Steward shall be retained on the job and shall not be dismissed until the job reaches a minimum of four (4) employees, except where terminated for cause. A Code of Excellence Steward can only be assigned on a project that was designated as such prior to construction start.

**Union Access to Work Site**

Section 12 [2.12]

The representative of the Union shall be allowed access to any shop or job at any reasonable time where workers are employed under the terms of this Agreement provided he/she first reports to the Employer’s main office.

**Picket Lines**

Section 13 [2.13]

Subsection (a) It shall not be considered a violation of this Agreement nor shall the Employer discharge any worker if he/she recognizes another labor organization’s bona fide picket line which is sanctioned by the Local Central Labor Council, the Building Trades Council or the International Office of the craft involved. The Union will notify the Employer as soon as possible if an organization secures such sanction.

Subsection (b) Should workers leave a job where a recognized picket line is sanctioned by the Central Labor Council, the Building Trades Council or the International Office of the craft involved, such workers shall carefully put away all tools, material and equipment or other property of the Employer in a safe manner. The Union will be financially responsible for any loss to the Employer by members of the Union for neglect in carrying out this provision, but only when a safe place is provided for such property by the Employer, and provided further that reasonable time be allowed the Employer to provide such safe place.

**IBEW Label – Tools and Equipment**

Section 16 [2.16]

All employees covered by the terms of this Agreement shall be required to become and remain members of the Union as a condition of employment from and after the eighth (8th) day following the date of their employment or effective date of this Agreement, whichever is later.
Union Cancellation of Agreement

Section 18 [2.18]

The Local Union is a part of the International Brotherhood of Electrical Workers and any violation or annulment by an individual Employer of the approved agreement of this or any other Local Union of the IBEW, other than violations of Paragraph 2 of this Section, will be sufficient cause for cancellation of his Agreement by the Local Union after a finding has been made by the International President of the Union that such a violation or annulment has occurred.

The subletting, assigning, or transfer by an individual Employer of any work in connection with electrical work to any person, firm or corporation not recognizing the IBEW or one of its Local Unions as the collective bargaining representative of his employees on any electrical work in the jurisdiction of this or any other Local Union to be performed at the site of the construction, alteration, painting or repair of a building, structure or other work, will be deemed a material breach of this Agreement.

All charges of violations of Paragraph 2 of this Section shall be considered as a dispute and shall be processed in accordance with the provisions of this Agreement covering the procedure for the handling of grievances and the final and binding resolution of disputes.

[Example: \($57.30\times 1.1\times 8 \text{ hours}/7.5 \text{ hours} = $67.23\) hourly swing shift rate]

(b) When employees work less than seven hours (7.0) on a third shift (graveyard shift) per Article III, Section 13, the following formulae shall be used to calculate the hourly compensation rate:

\[ \text{Hourly Graveyard Shift Rate} = \frac{\text{Regular Hourly Rate} \times 1.15 \times 8 \text{ hours}}{7 \text{ hours}} \]

Fringe Benefits for 2nd and 3rd Shift

Section 15 [3.15]

Fringe benefit contributions for the 2nd and 3rd shifts as set forth in Article III, Section 13 shall be based on eight (8) hours.

Benefit Contributions shall be calculated for both swing shift and graveyard shift in the manner described above. For example, for hourly benefits on 2nd (swing) shift, the rate will be: (Regular hourly benefit contribution rate) times 8 hours divided by 7.5 equals the hourly benefit 2nd (swing) shift rate. [Example: \($17.41 \text{ health and welfare} \times 8 \text{ hours}/7.5 \text{ hours} = $18.57 \) hourly benefit swing shift rate. For the 3rd (graveyard) shift, the formulae used would be \($17.41 \text{ health and welfare} \times 8 \text{ hours}/7 \text{ hours} = $19.90 \) hourly benefit 3rd (graveyard) shift rate.]

High Time Rate of Pay

Section 16 [3.16]

Section 13 [4.13]

(a) Employers shall advise the Business Manager of the Local Union of the number of applicants needed. The Business Manager shall refer applicants to the Employer by first referring applicants in Group I in the order of their place on the “Available for Work List” and then referring applicants in the same manner successively from the “Available for Work List” in Group II, then Group III, and then Group IV. Any applicant who is rejected by the Employer shall be returned to his appropriate place within his Group and shall be referred to other employment in accordance with the position of his Group and his place within his Group.
Repeated Discharge

(b) An applicant who is discharged for cause two times within a 12-month period shall be referred to the neutral member of the Appeals Committee for a determination as to the applicant’s continued eligibility for referral. The neutral member of the Appeals Committee shall, within two weeks, review the qualifications of the applicant and the reasons for the discharges. The neutral member of the Appeals Committee may, in his or her sole discretion: (1) require the applicant to obtain further training from the JATC before again being eligible for referral; (2) disqualify the applicant for referral for a period of four weeks, or longer, depending on the seriousness of the conduct and/or repetitive nature of the conduct; (3) refer the applicant to an employee assistance program, if available, for evaluation and recommended action; or (4) restore the applicant to his/her appropriate place on the referral list.

Bona Fide Requirements

Section 14 [4.14]

The only exceptions which shall be allowed in this order of referral are as follows:

(a) When the Employer states bona fide requirements for special skills and abilities in his request for applicants, the Business Manager shall refer the first applicant on the register possessing such skills and abilities.

(b) The age ratio clause in the Agreement calls for the employment of an additional employee or employees on the basis of age. Therefore, the Business Manager shall refer the first applicant on the register satisfying the applicable age requirements provided, however, that all names in higher priority Groups, if any, shall first be exhausted before such overage reference can be made.

Appeals Committee

Section 15 [4.15]

An Appeals Committee is hereby established composed of one member appointed by the Union, one member appointed by the Employer or by the Association, as the case may be, and a Public Member appointed by both these members.

Section 16 [4.16]

It shall be the function of the Appeals Committee to consider any complaint of any employee or applicant for employment arising out of the administration by the Local Union of Sections 4.04 through 4.14 of the Agreement. The Appeals Committee shall have the power to make a final and binding decision on any such complaint which shall be complied with by the Local Union. The Appeals Committee is authorized to issue procedural rules for the conduct of its business but it is not authorized to add to, subtract from, or modify any of the provisions of this Agreement and its decisions shall be in accord with this Agreement.

Inspection of Referral Records

Section 17 [4.17]

A representative of the Employer or of the Association, as the case may be, designated to the Union in writing, shall be permitted to inspect the Referral Procedure records at any time during normal business hours.
Posting of Referral Procedure  
Section 18 [4.18]

A copy of the Referral Procedure set forth in this Agreement shall be posted on the Bulletin Board in the offices of the Local Union and in the offices of the Employers who are parties to this Agreement.

Hiring and Transferring of Apprentices  
Section 19 [4.19]

Apprentices shall be hired and transferred in accordance with the Apprenticeship provisions of the Agreement between the parties.

ARTICLE V

Apprenticeship and Training

Joint Apprenticeship and Training Committee  
Section 1 [5.01]

There shall be a local Joint Apprenticeship and Training Committee (JATC) consisting of a total of either 6 or 8 members who shall also serve as Trustees to the local apprenticeship and training trust. An equal number of members (either 3 or 4) shall be appointed, in writing, by the local chapter of the National Electrical Contractors Association (NECA) and the local union of the International Brotherhood of Electrical Workers (IBEW).

The local apprenticeship standards shall be in conformance with national guideline standards and industry policies to ensure that each apprentice has satisfactorily completed the NJATC required hours and course of study. All apprenticeship standards shall be registered with the NJATC before being submitted to the appropriate registration agency.

The JATC shall be responsible for the training of apprentices, journeymen, installers, technicians, and all others (unindentured, intermediate journeymen, etc.).

Section 2 [5.02]

All JATC member appointments, re-appointments and acceptance of appointments shall be in writing. Each member shall be appointed for a 3 year term, unless being appointed for a lesser period of time to complete an unexpired term. The terms shall be staggered, with one (1) term from each side expiring each year. JATC members shall complete their appointed term unless removed for cause by the party they represent or they voluntarily resign. All vacancies shall be filled immediately.

The JATC shall select from its membership, but not both from the same party, a Chairman and a Secretary who shall retain voting privileges. The JATC will maintain one (1) set of minutes for JATC committee meetings and a separate set of minutes for Trust meetings.

The JATC should meet on a monthly basis, and also upon the call of the Chairman.

Section 3 [5.03]

Any issue concerning an apprentice or an apprenticeship matter shall be referred to the JATC for its review, evaluation, and resolve; as per standards and policies. If the JATC deadlocks on any issue, the matter shall be referred to the Labor-Management Committee for resolution as outlined in Article I of this agreement; except for trust fund matters, which shall be resolved as stipulated in the local trust instrument.
Section 4 [5.04]
There shall be only one (1) JATC and one (1) local apprenticeship and training trust. The JATC may, however, establish joint subcommittees to meet specific needs, such as residential or telecommunication apprenticeship. The JATC may also establish a subcommittee to oversee an apprenticeship program within a specified area of the jurisdiction covered by this agreement.

All subcommittee members shall be appointed, in writing, by the party they represent. A subcommittee member may or may not be a member of the JATC.

Section 5 [5.05]
The JATC may select and employ a part-time or full-time Training Director and other support staff, as it deems necessary. In considering the qualification, duties, and responsibilities of the Training Director, the JATC should review the Training Director’s Job Description provided by the NJATC. All employees of the JATC shall serve at the pleasure and discretion of the JATC.

Section 6 [5.06]
To help ensure diversity of training, provide reasonable continuous employment opportunities, and comply with apprenticeship rules and regulations, the JATC, as the program sponsor, shall have full authority for issuing all job training assignments and for transferring apprentices from one employer to another. The employer shall cooperate in providing apprentices with needed work experiences. The local union referral office shall be notified, in writing, of all job training assignments. If the employer is unable to provide reasonable continuous employment for apprentices, the JATC is to be so notified.

Admission and Indenturement

Section 7 [5.07]
All apprentices shall enter the program through the JATC as provided for in the registered apprenticeship standards and selection procedures.

An apprentice may have their indenture canceled by the JATC at any time prior to completion as stipulated in the registered standards. Time worked and accumulated in apprenticeship shall not be considered for local union referral purposes until the apprentice has satisfied all conditions of apprenticeship. Individuals terminated from apprenticeship shall not be assigned to any job in any classification, or participate in any related training, unless they are reinstated in apprenticeship as per the standards, or they qualify through means other than apprenticeship, at some time in the future, but no sooner than two years after their class has completed apprenticeship, and they have gained related knowledge and job skills to warrant such classification.

Section 8 [5.08]
The JATC shall select and indenture a sufficient number of apprentices to meet local manpower needs. The JATC is authorized to indenture the number of apprentices necessary to meet the job site ratio as per Section 5.12.

Section 9 [5.09]
Though the JATC cannot guarantee any number of apprentices; if a qualified employer requests an apprentice, the JATC shall make every effort to honor the request. If unable to fill the request within ten (10) working days, the JATC shall select and indenture the next available person from the active list of
qualified applicants. An active list of qualified applicants shall be maintained by the JATC as per the selection procedures.

Section 10 [5.10]

To accommodate short-term needs when apprentices are unavailable, the JATC shall assign unindentured workers who meet the basic qualifications for apprenticeship. Unindentured workers shall not remain employed if apprentices become available for OJT assignment. Unindentured workers shall be used to meet job site ratios except on wage and hour (prevailing wage) job sites.

Before being employed, the unindentured person must sign a letter of understanding with the JATC and the employer – agreeing that they are not to accumulate more than two thousand (2,000) hours as an unindentured, that they are subject to replacement by indentured apprentices, and that they are not to work on wage and hour (prevailing wage) job sites.

Should an unindentured worker be selected for apprenticeship, the JATC will determine, as provided for in the apprenticeship standards, if some credit for hours worked as an unindentured will be applied toward the minimum OJT hours of apprenticeship.

The JATC may elect to offer voluntary related training to unindentured; such as Math Review, English, Safety, Orientation/Awareness, Introduction to OSHA, First-Aid and CPR. Participation shall be voluntary.

Section 5.11 [5.11]

The employer shall contribute to the local health and welfare plans and to the National Electrical Benefit Fund (NEBF) on behalf of all apprentices and unindentured. Contributions to other benefit plans may be addressed in other sections of this agreement.

Supervision

Section 12 [5.12]

Each job site shall be allowed a ratio of two (2) apprentices for every three (3) Journeyman Wiremen.

The first person assigned to any job site shall be a Journeyman Wireman.

A job site is considered to be the physical location where employees report for their work assignments. The employer’s shop (service center) is considered to be a separate, single job site.

All other physical locations where workers report for work are each considered to be a single, separate job site.
Section 13 [5.13]
An apprentice is to be under the supervision of a Journeyman Wireman at all times. This does not imply that the apprentice must always be in sight of a Journeyman Wireman. Journeymen are not required to constantly watch the apprentice. Supervision will not be of a nature that prevents the development of responsibility and initiative. Work may be laid out by the employer’s designated supervisor or journeyman based on their evaluation of the apprentice’s skills and ability to perform the job tasks. Apprentices shall be permitted to perform job tasks in order to develop job skills and trade competencies. Journeymen are permitted to leave the immediate work area without being accompanied by the apprentice.

Apprentices who have satisfactorily completed the first four years of related classroom training using the NJATC curriculum and accumulated a minimum of 6,500 hours of OJT with satisfactory performance, shall be permitted to work alone on any job site and receive work assignments in the same manner as a Journeyman Wireman.

An apprentice shall not be the first person assigned to a job site and apprentices shall not supervise the work of others.

Section 14 [5.14]
Upon satisfactory completion of apprenticeship, the JATC shall issue all graduating apprentices an appropriate diploma from the NJATC. The JATC shall encourage each graduating apprentice to apply for college credit through the NJATC. The JATC may also require each apprentice to acquire any electrical license required for journeymen to work in the jurisdiction covered by this Agreement.

Trust Fund
Section 15 [5.15]
The parties to this Agreement shall be bound by the Local Joint Apprenticeship and Training Trust Fund Agreement which shall conform to Section 302 of the Labor-Management Relations Act of 1947 as amended, ERISA, and other applicable regulations.

The Trustees authorized under this Trust Agreement are hereby empowered to determine the reasonable value of any facilities, materials, or services furnished by either party. All funds shall be handled and disbursed in accordance with the Trust Agreement.

Contribution
Section 16 [5.16]
All Employers subject to the terms of this Agreement shall contribute the amount of funds specified by the parties signatory to the local apprenticeship and training trust agreement. The current rate of contribution is: 2% percent of the journeyman wage rate per hour for each hour worked. This sum shall be due the Trust Fund by the same date as is their payment to the NEBF under the terms of the Restated Employees Benefit Agreement and Trust.
ARTICLE VI
Fringe Benefits

National Electrical Benefit Fund (NEBF)
Section 1 [6.01]

It is agreed that in accord with the Employees Benefit Agreement of the National Electrical Benefit Fund (“NEBF”), as entered into between the National Electrical Contractors Association and the International Brotherhood of Electrical Workers on September 3, 1946, as amended, and now delineated as the Restated Employees Benefit Agreement and Trust, that unless authorized otherwise by the NEBF the individual Employer will forward monthly to the NEBF’s designated local collection agent an amount equal to 3% of the gross monthly labor payroll paid to, or accrued by, the employees in this bargaining unit, and a completed payroll report prescribed by the NEBF. The payment shall be made by check or draft and shall constitute a debt due and owing to the NEBF on the last day of each calendar month, which may be recovered by suit initiated by the NEBF or its assignee. The payment and the payroll report shall be mailed to reach the office of the appropriate local collection agent not later than fifteen (15) calendar days following the end of each calendar month.

The individual Employer hereby accepts, and agrees to be bound by, the Restated Employees Benefit Agreement and Trust.

An individual Employer who fails to remit as provided above shall be additionally subject to having this Agreement terminated upon seventy-two (72) hours’ notice in writing being served by the Union, provided the individual Employer fails to show satisfactory proof that the required payments have been paid to the appropriate local collection agent.

The failure of an individual Employer to comply with the applicable provisions of the Restated Employees Benefit Agreement and Trust shall also constitute a breach of this Agreement.

Health and Welfare Trust
Section 2 [6.02]

Subsection (a) The Employer agrees to comply with all the provisions of the IBEW Local 595 Health and Welfare Trust Agreement, as amended (copy of which is on file in the Union’s office and the office of the Trust), and shall pay to the Trust amounts as may be allocated pursuant to the provisions of Appendix A. Such amounts shall be used to provide health and welfare benefits as determined by the Board of Trustees. Copies of current benefit plans are available at the office of the Trust.

Subsection (b) The Employer agrees to abide by any amendment to the Trust Agreement necessary to comply with ERISA, provided no such amendment shall preclude the continuation of participation or commencing of participation in the Trust by any Employer of the type presently permitted to participate under the terms of this Trust or coverage of any of the type of employees of such Employer as are presently permitted to participate in such Trust.

Subsection (c) The contributions required by this Section shall be paid monthly within the time period required by the Trustees, and, in any event, payment for work performed during a calendar month shall be due on or before the 20th day of the following month.
Drug Free Workforce Program Funding

Subsection (d) Effective June 1, 2007, each Employer shall contribute $0.06 for each hour worked by each employee covered under the terms of this agreement into the Health & Welfare Fund for the purpose of funding a Drug Free Workforce Program.

Substance Abuse Program

Section 3 [6.03]

Subsection (a) The dangers and costs that alcohol and other chemical abuses can create in the electrical contracting industry in terms of safety and productivity are significant. The parties to this Agreement resolve to combat chemical abuse in any form and agree that, to be effective, programs to eliminate substance abuse and impairment should contain a strong rehabilitation component. The local parties recognize that the implementation of a drug and alcohol policy and program must be subject to all applicable federal, state, and local laws and regulations. Such policies and programs must also be administered in accordance with accepted scientific principles, and must incorporate procedural safeguards to ensure fairness in application and protection of legitimate interests of privacy and confidentiality. To provide a drug-free workforce for the Electrical Construction Industry, each IBEW local union and NECA chapter shall implement an area-wide Substance Abuse Testing Policy. The policy shall include minimum standards as required by the IBEW and NECA. Should any of the required minimum standards fail to comply with federal, state, and/or local laws and regulations, they shall be modified by the local union and chapter to meet the requirements of those laws and regulations.

Pension Trust

Section 4 [6.04]

Subsection (a) The Employer agrees to comply with the terms of the Alameda County Electrical Workers Pension Trust Agreement, as it may from time to time be amended, and any individual Employer record-keeping requirements as are or may be required by ERISA. Copies of the Alameda County Electrical Workers Pension Trust and Plans are available at the office of the Trust Administrator, the office of Local Union 595, or the office of the Northern California Chapter, NECA. No amendment of the Plan or Trust shall preclude the continued participation or commencement of participation of any Employer or employee of a type previously permitted to participate in the Trust and to have contributions made to the Trust and benefits provided under the terms of any Plan adopted by the parties.

Subsection (b) The Employer agrees to pay the amount specified in Appendix A for each hour worked by all employees working under the terms of this Agreement in and to said Pension Trust and any further amount allocated to the Pension Trust pursuant to the provisions of Appendix A for the purpose of providing benefits and paying the costs of administration of pension plans established pursuant to the provisions of such Trust.

Vacation Trust

Section 5 [6.05]

Subsection (a) The Employer shall pay to each employee subject to this Agreement as a vacation allowance an amount equal to twelve percent (12%) or sixteen percent (16%) of each employee’s gross wages, which amount is incorporated in the wage rates listed in Appendix A of this Agreement and as Section 5 may be amended.
Subsection (b) The vacation percentage shall be noted on the referral slip and can be changed by the employee between May 1st and May 20th each year and will become effective June 1st of that year. Unless indicated otherwise, the rate shall be twelve percent (12%).

Subsection (c) This vacation allowance shall be withheld from the employee’s weekly pay and shall be sent on a monthly basis, along with a Monthly Transmittal Form, to the office of the Trust Administrator to be deposited in the individual employee’s account with the International Brotherhood of Electrical Workers, Local Union 595 Vacation Trust.

Subsection (d) The Employer shall make all legal payroll withholdings for income tax, Social Security, unemployment insurance, etc., from the total wages including vacation allowance, and shall then withhold the full amount of the vacation allowance for transmittal on a monthly basis to the Trust.

Subsection (e) The Employer agrees to comply with all the provisions of the Agreement and Declaration of Trust for the International Brotherhood of Electrical Workers, Local Union 595 Vacation Trust, as amended (copies of which are available in the offices of the Union, the Chapter and the Trust). The Employer further agrees to comply with all rules, regulations and procedures adopted by the Board of Trustees of the Vacation Trust.

Subsection (f) The rules governing the scheduling of payment of vacations are set forth in Appendix B to this Agreement.

**Bond/Deposit**

**Section 6 [6.06]**

Subsection (a) Each Employer shall post a performance bond in the amount of $50,000 in language agreed to by the parties to this Agreement as a guaranty of the prompt and full payment of fringe benefit contributions required by this Agreement. In lieu of such bond, an Employer may submit “Certification of Participation in the NECA West Payroll and Fringe Benefit Guarantee Trust Fund,” or may deposit with the Electrical Industry Service Corporation (“EISC” or “Corporation”) an amount equal to the aggregate payments of such fringe benefit programs over the preceding six (6) months, provided, however, that the aggregate amount on deposit shall not be less than $4,000 or required to be in excess of $50,000.

Subsection (b) Employers who fail to post the bond or otherwise satisfy the requirements of subsection (a) may, upon five days written notice given by the EISC, be subject to having their employees removed until such time as the requirements of subsection (a) are met.

**Electrical Industry Service Corporation**

**Section 7 [6.07]**

Subsection (a) The fringe benefit trusts referred to in this Agreement shall pay such amounts, as set from time to time by their trustees, to fund the Electrical Industry Service Corporation (“EISC” or “the Corporation”) so that it can perform the services set forth in this Section 7 [6.07] or elsewhere in this Agreement.

Subsection (b) The EISC or its authorized representative shall serve as the custodian of fringe benefits for all fringe benefit contributions required by this Agreement, by other collective bargaining agreements between the Chapter and the Union requiring contributions to any of the fringe benefit trusts referred to in this Agreement, and by subscription agreements approved by the trustees of the fringe benefit trusts referred to in this Agreement. As custodian of fringe benefits, the EISC shall receive Employer fringe benefit contributions, maintain records of such contributions, distribute such contributions to the various fringe benefit trusts, and perform other related services. The EISC will also provide collection assistance in the
event a contributing Employer is delinquent in its contributions to any of the fringe benefit trusts referred to in this Agreement. In so doing, the EISC may take all necessary and lawful steps to collect such delinquencies, including but not limited to, instituting collection proceedings against delinquent Employers, paying the costs of such proceedings, directing payroll audits, demanding joint check arrangements and removing manpower. The EISC may require an Employer who is delinquent in its contribution obligations to the trusts referred to in this Agreement to submit to expedited arbitration before an arbitrator selected by the EISC. The arbitrator shall be listed with the California State Mediation and Conciliation Service or the Federal Mediation and Conciliation Service. Such arbitrator shall have primary and exclusive jurisdiction over all questions, disputes, or disagreements related to the delinquency that arise under this Agreement or the plan documents governing the trusts referred to in this Agreement. The decision of the arbitrator shall be final and binding as to all matters within his or her jurisdiction, and, in connection therewith, the arbitrator shall have the power to make binding determinations regarding money owed to the trusts. The EISC is authorized to collect from delinquent Employers all collection costs, including but not limited to, attorney’s fees, audit costs, arbitration costs and court costs as permitted by law or this Agreement.

Subsection (c) The Chapter and the Union agree to instruct their respective appointed trustees to adopt resolutions and/or amendments to the applicable trust agreements permitting the EISC to perform on the behalf of each such trust the functions set forth in this Section 7 [6.07].

Subsection (d) The EISC shall maintain separate financial records, have an annual audit conducted and operate according to an annual budget.

Subsection (e) The payment of the fringe benefit contributions required by this Agreement shall be made no later than twenty (20) calendar days following the last day of the month in which hours were worked. Such payments shall cover all hours worked in all payroll weeks ending within the month for which contributions are being paid, and shall be accompanied by a transmittal containing the names, social security numbers, wage rates, hours worked, gross wages earned, benefits owing, and other pertinent information relating to covered employees for such hours worked. Payments not received by the twentieth (20th) day of the current month shall thereupon become delinquent, and such delinquent Employer shall pay to the EISC the sum of Ten Dollars ($10.00) per delinquency or twenty percent (20%) of the unpaid contributions, whichever is the greater, as and for liquidated damages, plus interest upon the total amount from date due.

Subsection (f) The EISC shall have the authority to adjust, compromise, and/or settle all claims for delinquent contributions, liquidated damages, interest and attorneys’ fees, in whole or in part. The EISC shall also have full authority to “write off” uncollectible accounts not prudent to pursue.

Subsection (g) The EISC is authorized to conduct audits of contributing Employers’ payroll records, contribution payments, transmittal reports, and related records. Such audits may be conducted on a random basis, provided that no Employer shall be selected on a strictly random basis more than once during any five-year period. Random audits shall cover a period of one full year preceding the EISC’s notice and demand for audit entry. In addition, the EISC may conduct exit audits of Employers who have ceased paying contributions to any of the fringe benefit trusts referred to in this Agreement, and/or have terminated their collective bargaining agreement with the Union, for up to three (3) years preceding the date of ceasing to pay contributions or terminating the collective bargaining agreement, whichever is earlier. Further, the EISC may conduct directed audits of Employers when the EISC has reason to believe such Employers may not be complying with their fringe benefit contribution obligations.

Subsection (h) In the event that an audit conducted pursuant to subsection (g) above reveals a delinquency in an amount in excess of five percent (5%) of the total contributions owing for the audit period, the responsible Employer may be audited for up to an additional three (3) years, as the auditors or the EISC
recommend. Additionally, said Employer is liable for the costs of the audit, in addition to the liquidated damages and interest due for any delinquency.

Subsection (i) The EISC may require an Employer who is delinquent in its contribution obligations to the trusts referred to in this Agreement to pay such delinquencies and/or future contributions by checks issued jointly to the Employer and the EISC from the general contractors, prime subcontractors, and/or other parties paying the Employer for the work giving rise to the contribution obligations. The EISC may require such joint check arrangements so long as the EISC reasonably believes such arrangements are necessary to ensure the prompt payment of required fringe benefit contributions.

**Loss of Manpower and Termination of Agreement**

Section 8 [6.08]

Subsection (a) To reduce the legal costs associated with efforts to collect delinquent fringe benefit contributions, and to reduce the risk of loss from such delinquencies, the principal officers of the EISC may withdraw a delinquent Employer’s manpower, upon five days written notice, if the Employer is either sixty (60) days delinquent in its fringe benefit contribution obligations under this Agreement, or has been late in paying required contributions four or more times within any twelve month period.

Subsection (b) For the same reasons set forth in subsection (a) above, the principal officers of EISC may withdraw a delinquent Employer’s manpower, upon five days written notice, after one month’s delinquency if the principal officers of the EISC reasonably believe there is imminent risk of being unable to collect the delinquent contributions.

Subsection (c) In addition, individual Employers who are sixty days delinquent in their fringe benefit contribution obligations under this Agreement may be subject to having this Agreement terminated upon five days written notice, being served by the Union, provided the individual Employer fails to show satisfactory proof that the contributions owing were paid.

**Trust Participation and Arbitration**

Section 9 [6.09]

Subsection (a) The Chapter and Union will each notify their respective appointed Trustees to the Local Health and Welfare Trust, the Local Pension Trust, the Local Vacation Trust (if such is required) and the Apprenticeship and Training Trust that the Trustees should take all steps necessary, including amendments to any Plan or Trust Agreement, if such is required, to permit participation in the Trusts, receipt of contributions and provision of benefits to their employees by Employers who are signatory to agreements with Local 595 requiring contributions to the Trust on the same hourly rate and subject to the same conditions as are applicable to the Employers who have assigned their bargaining rights to the Chapter, provided such Employer has neither previously been admitted and permitted to participate or is engaged in work of the type covered by this Agreement, or by a type of agreement with other Employers where such participation was approved by the Chapter, or of a new type with approval of the Chapter.

Nothing in this subsection or in this Agreement shall prohibit the payment of contributions to, the provision of benefits to employees by, and the participation in the fringe benefit trust funds referred to in this Agreement by, Employers who are signatory to other collective bargaining agreements between the Chapter and the Union.

The Chapter and the Union will also cooperate in effecting any necessary Trust amendments to accomplish the provisions of this Section.
Subsection (b) The Chapter and the Union will each instruct their respective Trustees that participation in and contributions to the IBEW Local 595 Health and Welfare Trust shall be continued, provided, however, such continued participation shall not be required if any contribution to such Trust would render the contributions of the Employer as not deductible under the provisions of the Internal Revenue Code or affect the tax exemption of any existing Trust. The parties will effect any amendments to existing Trust Agreements that may be necessary to accomplish the objectives of such continued participation.

Subsection (c) The Chapter and Union agree to recommend to the Trustees of each Trust the adoption of amendments to the Trust Agreements governing the resolution of disputes that a deadlock of Trustees shall be resolved by the following arbitration procedure:

1. In the event of a deadlock among Trustees, the parties shall submit such a dispute to arbitration for an expedited determination of the dispute. Upon any deadlock any Trustee may request the Arbitrator to forthwith convene a meeting to resolve the dispute, or to establish procedures for the resolution of the dispute, in as expeditious a fashion as is possible, consistent with the nature of the dispute. The Arbitrator may provide any interim disposition pending a final resolution.

Subsection (d) In any initial meeting with the Arbitrator, each party shall state its version of the dispute and the issues. The Arbitrator may utilize “Med-Arb” methods if he/she deems it desirable. Upon a final and binding decision by the Arbitrator, the expenses of such arbitration, not to exceed $4,000.00, shall be assessed against the party the Arbitrator determines to be the unsuccessful litigant in the proceeding. The Trust shall provide a rider to any Errors and Omissions Policy to provide "no recourse" coverage for the Arbitrator.

National Electrical 401K Plan

Section 10 [6.10]

It is agreed that the individual Employer, in accord with the National Electrical 401(k) Plan Agreement and Trust (“Agreement and Trust”) as entered into between the National Electrical Contractors Association and the International Brotherhood of Electrical Workers, as amended, will participate in the National Electrical 401(k) Plan (“NEFP”).

The individual Employer recognizes that applicable rules require contributions to be transmitted to a 401(k) plan as soon as they can reasonably be segregated from the general assets of the employer. The Trustees of the NEFP strongly encourage all contributing employers to regularly remit to the NEFP or its designee any and all bargaining unit employee elective deferrals within seven business days of the date when the Employer receives or withholds such employee elective deferrals. However, in recognition that some employers may be unable reasonably to segregate participant contributions from their general assets more frequently than the standard monthly processing cycle for participant contributions to pension plans, as noted in U.S. Department of Labor Field Assistance Bulletin 2003-2, all contributions must be remitted by the fifteenth (15th) of the month following the month in which the amounts would otherwise have been payable to the participant. In all events, contributions not remitted by this date shall constitute a debt due and owing to the NEFP. In making such contributions, the individual Employer shall utilize the NEFP’s electronic remittance system. Further, in agreeing to participate in the NEFP, the individual Employer agrees to cooperate with the NEFP by submitting all reasonably requested documents and information necessary for the NEFP to perform all required testing of the NEFP under the tax laws.

The Chapter and/or the individual Employer, as the case may be, and the Local Union certify that no existing defined benefit plan was terminated or modified in any manner solely as a condition upon or as a result of the adoption of the NEFP. This provision does not interfere with the rights and obligations of such local
plan(s)’ trustees to make changes to the plan(s) pursuant to the needs of the plan(s), their fiduciary duty, and the requirements of ERISA, the Pension Protection Act, or other laws and regulations.

Inasmuch as the NEFP is intended to offer bargaining unit employees the opportunity to defer current salary into a retirement savings plan and not to replace any existing employer-funded defined benefit plan, no employer contributions will be required or accepted on behalf of individuals for hours worked under the terms of this agreement.

The individual Employer hereby accepts, and agrees to be bound by, the Agreement and Trust.

An individual Employer who fails to remit employee elective deferrals as provided above shall be subject, in addition to all remedies afforded by law or in the Agreement and Trust, to having its participating in the NEFP suspended or terminated at the discretion of the Trustees of the NEFP upon written notice to the individual Employer. An individual Employer who fails to remit as provided above shall be additionally subject to having this agreement terminated upon seventy-two (72) hours’ notice in writing being served by the Union, provided the individual Employer fails to show satisfactory proof that the required payments have been paid to the appropriate local collection agent.

The failure of an individual Employer to comply with the applicable provisions of the Agreement and Trust shall also constitute a breach of his labor agreement.

ARTICLE VII

Electrical Contractors Trust of Alameda County

Section 1 [7.01]

Subsection (a) The Employer shall pay an hourly rate of $0.15 to the Electrical Contractors Trust of Alameda County. Such monies shall be paid to the Electrical Contractors Trust of Alameda County on or before the twentieth (20th) day of the month succeeding the month in which the work was performed.

Subsection (b) The Employer agrees to be bound by the terms of the Alameda County Electrical Industry Trust as established (hereinafter called the Electrical Contractors Trust), and as it may from time to time be amended, provided no such amendment shall increase the contribution as herein specified for such Trust.

Subsection (c) This Trust shall be referred to as the Electrical Contractors Trust of Alameda County. The purpose of the Trust is to collect, preserve and invest monies paid to the Trust and to use such monies for the benefit of the Electrical Industry in Alameda County; this Trust shall make such contributions as Trustees may deem reasonable and necessary to the Alameda County Electrical Industry and to expand and develop the electrical industry in the construction field and to promote the good will and prosperity of the electrical industry, to modernize building codes, and to engage in advertising and public relations programs to promote the electrical industry.

Subsection (d) The Trust will not be used in any manner detrimental to Local Union 595 or the International Brotherhood of Electrical Workers.

Subsection (e) The Executive Director of NECA shall serve as a Trustee. The other trustees shall be Employer representatives.

Subsection (f) The Trust is to be administered solely by the trustees and not by the Union. The enforcement of collections regarding delinquent payments shall be the sole responsibility of the Trust. The Trust shall have the authority to recover the amounts owing plus attorney fees, court costs and interest at the prime rate plus two percent (2%).
Subsection (g) Financial statements reviewed by a CPA on a quarterly basis will be distributed to all trustees. A yearly audited financial statement will be distributed to all trustees and the Union.

Subsection (h) During the term of this Agreement the parties may confer with respect to the continuation or dissolution of this trust upon the request of the Union or NECA.

**Contract Administration Fund**

**Section 2 [7.02]**

Subsection (a) The Employer shall pay an amount equal to one point zero five percent (1.05%) of its gross monthly payroll covering all work under the terms of this Agreement to the Contract Administration Fund (“CAF”) of Alameda County.

Subsection (b) These contributions will assist in offsetting the costs associated with administering the Apprenticeship and Journeyman Training Trust, Contract Administration Fund, Health & Welfare Trust, Labor-Management Cooperation Committee, Pension Trust, Training Facility Fund Corporation and Vacation Trust. These funds will also assist in offsetting the costs associated with negotiating the Inside Construction Agreement and Maintenance Agreement, providing support in the areas of grievance resolution and referral system appeals and promoting the interests of the union electrical construction industry.

Subsection (c) These funds will not be used to the detriment of Local Union 595 or the International Brotherhood of Electrical Workers.

Subsection (d) CAF contributions shall be submitted with all other fringe benefit contributions on the monthly fringe benefit transmittal report. Such monies shall be paid on or before the twentieth (20th) day of the month succeeding the month in which the work was performed.

Subsection (e) The Fund is to be administered solely by the Employer. The Northern California Chapter, NECA, shall appoint the Administrator of the CAF. The enforcement of collections regarding delinquent payments shall be the sole responsibility of the Fund or Employers and not the Local Union. The Administrator shall have the authority to recover the amounts owing plus attorney fees, court costs and interest at the prime rate plus two percent (2%).

4) to study and explore ways of eliminating potential problems which reduce the competitiveness and inhibit the economic development of the electrical construction industry;
5) to sponsor programs which improve job security, enhance economic and community development, and promote the general welfare of the community and industry;

6) to engage in research and development programs concerning various aspects of the industry, including, but not limited to, new technologies, occupational safety and health, labor relations, and new methods of improved production;

7) to engage in public education and other programs to expand the economic development of the electrical construction industry;

Such amount shall be added to and become a part of the contributions due and payable, and the whole amount due shall bear interest at the rate of ten percent (10%) per annum until paid. The Employer shall also be liable for all costs of collecting the payment together with attorneys’ fees.

Local Labor-Management Cooperation Committee Composition

Section 4 [7.04]

Subsection (b) The activities of the Committee shall be directed toward researching and implementing programs that are designed to improve labor-management relationships, enhance job security and organizational effectiveness, and facilitate economic development in the Union sector. The Committee will engage in activities related to the accomplishment of these purposes, including: the study and monitoring of industry trends, market indicators, contracting practices and problems that affect the ability of the Union sector to prosper; the development and implementation of activities and programs that will result in increasing the market share of electrical work for IBEW electricians and their Employers in Alameda County; improving public awareness of the advantages of using contractors employing IBEW electricians through education and public media; and enhancing customer relations.
Subsection (c) Effective June 1, 2016, all Employers subject to the terms of this Agreement shall contribute $0.50 (1¢ of this amount is being paid pursuant to Art. VII, Section 5(c)) for each hour worked by employees covered by this Agreement for the purpose of maintaining the Labor-Management Cooperation Committee (LMCC). Should funding to the LMCC be terminated in the future, $0.24 of the $0.50 per hour will be returned to the Journeyman Wireman’s Wage Rate.

Subsection (d) The Committee shall be composed of three (3) representatives of labor and three (3) representatives of management. The Committee shall conduct at least six (6) meetings annually and shall not allow more than seventy-five (75) days to elapse between meetings. Either party may call a special meeting of the Committee.

Subsection (e) The Committee shall periodically report on its findings, recommendations and activities to the members of I.B.E.W. Local 595 and of the Alameda County Branch of the Northern California Chapter of NECA. Such reports shall be in the form of a publication to be produced jointly by labor and management.

Subsection (f) The Committee shall support legislative activities that advance the goals of the Trust, provided the expenditures for legislative activities shall not exceed twenty percent (20%) of the expenditures for all other activities of the Trust in any two consecutive years and shall not be of a nature or extent that would place in jeopardy the tax-exempt status of the Trust. No part of the assets of the Trust shall be used for political activities, including any effort to influence the selection, nomination, election or appointment of public officers.

6) to encourage and support the initiation and operation of similarly constituted local labor-management cooperation committees;

7) to engage in research and development programs concerning various aspects of the industry, including, but not limited to, new technologies, occupational safety and health, labor relations, and new methods of improved production;
8) to engage in public education and other programs to expand the economic development of the electrical construction industry;

9) to enhance the involvement of workers in making decisions that affect their working lives; and

10) to engage in any other lawful activities incidental or related to the accomplishment of these purposes and goals.

Subsection (b) The Fund shall function in accordance with, and as provided in, its Agreement and Declaration of Trust, and any amendments thereto and any other of its governing documents. Each Employer hereby accepts, agrees to be bound by, and shall be entitled to participate in the NLMCC, as provided in said Agreement and Declaration of Trust.

Subsection (c) Each employer shall contribute one cent (1¢) per hour worked under this Agreement up to a maximum of 150,000 hours per year. Payment shall be forwarded monthly, in a form and manner prescribed by the Trustees, no later than fifteen (15) calendar days following the last day of the month in which the labor was performed. The Northern California Chapter, NECA, or its designee, shall be the collection agent for this Fund.

Subsection (d) If an Employer fails to make the required contributions to the Fund, the Trustees shall have the right to take whatever steps are necessary to secure compliance. In the event the Employer is in default, the Employer shall be liable for a sum equal to 15% of the delinquent payment, but not less than the sum of twenty dollars ($20), for each month payment of contributions is delinquent to the Fund, such amount being liquidated damages, and not a penalty, reflecting the reasonable damages incurred by the Fund due to the delinquency of the payments. Such amount shall be added to and become a part of the contributions due and payable, and the whole amount due shall bear interest at the rate of ten percent (10%) per annum until paid. The Employer shall also be liable for all costs of collecting the payment together with attorneys’ fees.

Such Radiation Monitors shall determine the location of hazardous zones and shall be responsible for the radiation hazards therein. He shall maintain permanent and accurate time check on all workers entering and leaving such zones, including radiation dosages of all personnel emerging from the radiation zone. 2) One Hundred percent (100%) of all productive electrical payroll in excess of 150,000 man-hours paid for electrical work in any one Chapter area during any one calendar year.

(Productive electrical payroll is defined as the total wages including overtime paid with respect to all hours worked by all classes of electrical labor for which a rate is established in the prevailing labor area where the business is transacted.)

Payment shall be forwarded monthly to the National Electrical Industry Fund in a form and manner prescribed by the Trustees no later than fifteen (15) calendar days following the last day of the month in which the labor was performed. Failure to do so will be considered a breach of this Agreement on the part of the individual Employer.
ARTICLE X

Miscellaneous

Ally Clause

Section 1 [10.01]

The signatory Employer agrees that he/she will not become an “Ally” of any Employer lawfully struck by the signatory Union. The term “Ally,” as used herein, shall be interpreted in accordance with the controlling legal principles established under the NLRA in “Ally” cases. In the event the Union reasonably believes that the signatory Employer has become an “Ally,” it may, at its option, give forty-eight (48) hours’ written notice to the signatory Employer of its intent to withdraw their employees.

In recognition of the fact that the signatory Employer is in possession of all pertinent information relating to transactions for the performance of work, the burden of proof shall be upon the signatory Employer to prove that it is not an “Ally.” If the Union still adheres to its contention the signatory Employer is an “Ally” and that the signatory Employer has entered into an agreement, written or oral, or by any subterfuge whatsoever, to perform work for or on behalf of the struck Employer or any customer of the struck Employer at the behest of the struck Employer during the pendency of a lawful strike, the parties shall proceed to immediate arbitration on the “Ally” issue under the expedited arbitration rules of the AAA, except that the arbitrator shall be selected by the Chapter, with a Union representative present, by calling in sequence until an arbitrator is contacted who is willing to hear and determine the dispute within the 48 hour period of notice.

If the decision of the arbitrator sustains the Union, the signatory Employer shall refrain from performing the challenged work. In addition, the arbitrator shall have authority to award damages assessed against the signatory Employer, to employees injured by the Employer’s action, or if such an award is not appropriate, to some other appropriate entity, including the Union.

For the reasons set forth above, the burden of proof at the arbitration shall be upon the signatory Employer to prove that it is not an “Ally.” Nothing in this Agreement shall preclude the signatory Employer from doing any work for any customer that he/she has customarily serviced, provided that he/she is not doing so as an “Ally” or in conjunction with any agreement, written or oral, express or implied, or by any subterfuge to assist any struck Employer. The losing party in the arbitration shall be required to pay all reasonable costs incurred, including the reasonable attorney fees and related costs incurred by the prevailing party.

Information Requests from Union

Section 2 [10.02]

The Employer shall furnish any information to the Union that is reasonably helpful for the handling of negotiations or grievances with the Employer. If the Union requests information and it is not promptly supplied, the Union may proceed through the Labor-Management Committee, which shall meet within 48 hours, and to arbitration. In the making of any such determination that the information should be or should have been supplied, the arbitrator shall apply the same tests as would be applied by the United States District Court in any claim or breach of contract or by the NLRB in any unfair practice case based on the refusal of any Employer to supply information for negotiating purposes. The losing party in the arbitration shall be required to pay all reasonable costs incurred, including the reasonable attorney fees and related costs incurred by the prevailing parties.
Escrow Agreements

Section 3 [10.03]

In the event any increase provided in this Agreement results in any challenge or determination pursuant to regulations or any governmental agency, as they now exist or may from time to time be amended, the parties agree to use their best efforts in a joint appeal to such governmental agency to uphold the validity and propriety of the wage and benefit provisions, and, until final ruling by the involved governmental agency, the amounts provided in the contract shall continue to be paid as set forth below until such appeal is finally determined.

If it is required that any contract or agreement requiring additional wage or benefit increases must be submitted to any governmental regulatory agency for approval under the authority of any Wage Control legislation, the Employer agrees to pay into escrow any portion of negotiated increases requiring such approval prior to implementation, pending determination and ultimate approval through governmental processes, but such escrow shall be terminated at the end of the shorter of any of the following periods: (a) six months; (b) any maximum period of time set forth in any law or regulation; (c) any directive from the International Brotherhood of Electrical Workers relating to the time such an escrow may be maintained.

In the event the governmental processes provide an appeal procedure, the parties agree to expedite such an appeal. While any sums are accumulated in escrow, any earnings on such escrow funds shall be first utilized to pay expenses incurred in the administration of the escrow agreement. The Chapter and each Employer agree to execute any lawful escrow agreement prepared by the Union in conformance with this Section and submitted to the Chapter, which shall approve such agreement if lawful, consistent with this Section and does not contain any unreasonable provisions. In the event the Chapter or any Employer contends the escrow provisions submitted by the Union are not lawful, the money shall nevertheless accumulate in an escrow established with the bank, and the dispute with respect to the lawfulness of the proposed Union escrow agreement shall be promptly submitted at the request of either party to the Council of Industrial Relations for adjudication. In the event of any Price Control legislation, the Union agrees to support and assist the Employer in any appeal relating to processes the Employer deems necessary to profitably operate and pay the labor costs set forth in this Agreement.

Labor-Management Relations Act of 1947

Section 4 [10.04]

In the event that the Labor-Management Relations Act of 1947 is amended or is reinterpreted by the National Labor Relations Board or by the courts legally to permit the inclusions of Section of Article 2 of the Agreement of June 29, 1946, said Section shall be reincorporated in any collective bargaining agreement between the parties.

Litigation

Section 5 [10.05]

The parties jointly agree that all of the provisions of this Agreement are lawful, proper and enforceable. No litigation shall be instituted, directly or indirectly, by either party arising out of negotiation of this Agreement, and any dispute concerning the interpretation, application, legality, or enforceability of any of the provisions of this Agreement shall be submitted to the grievance and arbitration provisions of this Agreement. (This shall not be applicable to any injunctive relief requiring recourse to the grievance provisions of the Agreement and enjoining any violation of the prohibition against strikes or lockouts contained in this Agreement.) In the event any person or company institutes any such litigation, the parties agree to use their best efforts to uphold the legality and validity of this Agreement and the propriety of the negotiations leading to the execution of this Agreement.
Code of Excellence

Section 6 [10.06]

The parties to this Agreement recognize that to meet the needs of our customers, both employer and employee must meet the highest levels of performance, professionalism, and productivity. The Code of Excellence has proven to be a vital element in meeting the customers’ expectations. Therefore each IBEW local union and NECA chapter shall implement a Code of Excellence Program. The program shall include minimum standards as designed by the IBEW and NECA.

Savings Clause

Section 7 [10.07]

It is not the intent of either party hereto to violate any laws, rulings or regulations of any governmental authority or agency having jurisdiction of the subject matter or of this Agreement, and the parties hereto agree that in the event any provisions of this Agreement are finally determined to be illegal or void as being in contravention of any such laws, rulings or regulations, the remainder of the Agreement shall remain in full force and effect, and the parties shall immediately enter into negotiations for the purpose of correcting the illegal or void portions so as best to effectuate the intent of this Agreement.

In the event the parties are unable to agree on such corrections, the matter may be referred to arbitration by either in accordance with the provisions contained herein. Under no circumstances shall any dispute over legality excuse payment of wages or fringe benefits specified in this Agreement pending a determination of the issue.

If the parties are in dispute over legality, the Employer shall pay the disputed amounts in escrow by the same date such disputed amounts would be paid to the employee or any Trust Fund. However, either party may obtain, ex parte, a binding interim determination by the IBEW and NECA on the matter, and the parties shall abide by such interim determination (including any order to pay such amounts in dispute) pending any arbitration or judicial rulings. The parties agree to expedite requests for such an interim ruling or arbitration or judicial proceeding.

Separability Clause

Section 8 [10.08]

Should any provision of this Agreement be declared illegal by any court of competent jurisdiction, such provisions shall immediately become null and void, leaving the remainder of the Agreement in full force and effect and the parties shall, thereupon, seek to negotiate substitute provisions which are in conformity with the applicable laws.

APPENDIX B

RULES GOVERNING SCHEDULING AND PAYMENT OF VACATION BENEFITS

The rules governing scheduling and payment of vacation benefits pursuant to Article VI, Section 4 [6.04], of this Agreement are as follows:

1. Payments Directly to Employees

(a) Payment for Scheduled Vacations: An employee may request payment of vacation benefits for one scheduled vacation at any time throughout the year, except during the month of November, when calculations for the annual distribution are made. A request for payment of benefits for a scheduled vacation must be made on or before the first day of the month in which the employee seeks to receive such payment.

(b) Quarterly Vacation Withdrawals: An employee may also request a quarterly withdrawal of funds from his or her individual vacation account to be paid during the first seven (7) days of March, June and September of each year. A request for payment of benefits for a quarterly withdrawal must be made on or before the first day of the month in which the quarterly withdrawal may be paid (i.e., March, June and September). Any funds remaining in an employee’s individual vacation account at the end of November of each year will automatically be paid out to the employee during the first seven (7) days of December of that year; provided, however, that employees may notify the Plan Manager in writing, on or before the first day of December of each year, of their desire to retain such funds in their individual accounts.

(c) Additional Payments: An employee may request additional payments of funds from his or her individual vacation account for a reasonable administrative fee per payment, to be set from time to time by the Board of Trustees of the Vacation Trust. A request for such additional payment must be made on or before the first day of the month in which the employee seeks to receive such payment. For ease of administration, and in accordance with the above rules providing for five withdrawals per year, the first five requests for withdrawal during any calendar year by an employee shall be without charge, with subsequent withdrawals being subject to the above administrative fee.

2. Transfers to the Electricians #595 Credit Union. In lieu of direct payments, an employee may authorize monthly transfers of amounts paid into his or her individual vacation account into the Electricians #595 Credit Union, pursuant to Article III, Section 9(b) of the collective bargaining agreement. Forms authorizing such transfers of funds are available at the Union office and completed forms must be returned to the Union office. For the purpose of providing parallel benefits, an employee authorizing such transfers will receive the first five monthly transfers in any given calendar year free of charge, with subsequent transfers subject to the same reasonable administrative fee per transfer as will be charged for more than five withdrawals per year. The Board of Trustees of the Vacation Trust will set said fee from time to time.

3. Authorized Deductions. The funds in an employee’s individual vacation account shall be available to the employee through the above-described procedures; provided, however, that any amounts in the account which are necessary to satisfy the employee’s authorized dues, uniform assessment or political action committee deductions, pursuant to Article III, Subsections 9(a) and 9(c) of this Agreement, shall first be paid or set aside prior to any such payment, withdrawal or transfer.
