NOTE:

Only the Non-Profit and Low-Income DAC-SASH incentive categories remain available, and application for all other categories are no longer being processed.

Once an incentive category is closed, that constitutes the final conclusion of the GoSolarSF program for that category. Applications submitted after categories are closed will not be processed. Residential and Business basic categories closed on Dec. 7, 2020, and Non-SASH Low-income closed Dec. 11, 2020. Residential add-on's are not available to closed categories.

Non-Profit & Non-Profit Residential applications are processed on a first come first served basis and are subject to available funding. Should remaining funding be insufficient to cover an amount requested, the balance remaining in the category will be offered to the applicant.
