

TECHNICAL TIPS FOR BLUEJEANS EVENTS

The SFPUC Source Virtual Explorations will be conducted through the BlueJeans Events platform. Thank you so much for exploring with us! Each event is Wednesday at 1 p.m.

Registration:

- Please register for each session individually.
- After you register for the event at the link provided, you will receive an invitation via e-mail directly from the BlueJeans Events platform.
- *That invitation is for you only.* It will not work if you forward it to others.
- All are welcome and registration only takes a minute.

During the Event:

- Your camera and microphone will be muted upon entry and will remain so for the duration of the event unless your event moderator tells you otherwise.
- Questions: Please submit questions through the Q&A feature.
- For technical issues during the event, please contact the moderator by using the Moderator Chat function.

How to Connect to BlueJeans Events:

From Your Laptop/Desktop Computer:

- BlueJeans Events is a web-based platform that you can access through your internet browser. You do not need to download the BlueJeans App to attend the Event.
- Please note that Google Chrome works best, however MS Edge Chromium, or Firefox browsers also will work for BlueJeans Events. Please note Internet Explorer (IE) is not supported.
- If Chrome (or any modern browser) is already your default, all you need to do is click on the Join Meeting Link in the invitation e-mail to join.
- You may also copy and paste the meeting link URL into the browser as well.

From Your Mobile Device/Tablets (iPad, iPhone, Android Device):

- You will need to download the BlueJeans App to attend the Event.
- Download and install the BlueJeans App from the [Google Play](#) or [Apple App Store](#).
- Once installed, you should be able to click the URL in your email from your mobile device to automatically launch the event in the BlueJeans App.
