### **MEETING VIA TELECONFERENCE TO CONSIDER ADOPTING A COMPETITIVE SELECTION PROCESS COMMUNICATIONS POLICY TO SUPPORT THE INTEGRITY OF THE COMPETITIVE SELECTION PROCESS FOR THE SAN FRANCISCO PUBLIC UTILITIES COMMISSION**

**TUESDAY, FEBRUARY 9, 2021 - 1:30 P.M.  
TELECONFERENCE**

During its regular meeting on February 9, 2021, at 1:30 PM, to be held via teleconference, the San Francisco Public Utilities Commission (SFPUC) will consider action to adopt a **Competitive Selection Process Communications Policy** to support the integrity of the competitive selection process for San Francisco Public Utilities Commission contracts.

The proposed Competitive Selection Process Communications Policy, a copy of which will be made available with the meeting agenda at least 72 hours before the February 9, 2021 meeting, provides that members of the San Francisco Public Utilities Commission will not engage in communications regarding any specific business opportunity at the SFPUC at any time except in a public meeting. The Policy further restricts communications between SFPUC officials/employees and proposers on SFPUC contracts during the solicitation process.

If adopted by the Commission on February 9, 2021, this policy shall take effect February 15, 2021.

Copies of the agenda item will be available 72 hours in advance of the February 9, 2021 meeting on the Commission's website: <https://sfwater.org/index.aspx?page=1347>

Members of the public may submit public comment on the agenda item in advance of the teleconference meeting by emailing comments to [Commission@sfwater.org](mailto:Commission@sfwater.org) or may provide public comment during the teleconference meeting by following the dial-in instructions on the agenda.
