

NOTICE OF PUBLIC HEARING:

MEETING VIA TELECONFERENCE TO CONSIDER ADOPTING REVISIONS TO THE SAN FRANCISCO PUBLIC UTILITIES COMMISSION'S DELEGATION OF CONTRACTING AUTHORITY MATRIX ADOPTED BY THE COMMISSION IN 2009 PER RESOLUTION NO. 09-0017

**TUESDAY, FEBRUARY 23, 2021 – 1:30 PM
VIA TELECONFERENCE**

During its regular meeting on February 23, 2021, at 1:30 PM, to be held via teleconference, the San Francisco Public Utilities Commission (SFPUC) will consider action to adopt revisions to the **Commission Contract Delegation Matrix** regarding which contract decisions are heard on the Commission's regular calendar versus consent calendar, and delegating its authority to the SFPUC General Manager to award certain types of contracts, grants, and other agreements without Commission approval.

The revised Commission Contract Delegation Matrix, a copy of which will be made available with the meeting agenda at least 72 hours before the February 23, 2021, meeting would supersede the existing matrix which the Commission adopted in 2009 by Resolution No. 09-0117. The revised matrix would change the dollar and time thresholds for certain types of contracts, and add new provisions for memoranda of agreements, memoranda of understanding, and power purchase agreements.

If adopted by the Commission on February 23, 2021, this policy shall take effect March 10, 2021.

Copies of the agenda item will be available 72 hours in advance of the February 23, 2021 meeting on the Commission's website: <https://sfwater.org/index.aspx?page=1347>

Members of the public may submit public comment on the agenda item in advance of the teleconference meeting by emailing comments to Commission@sfwater.org or may provide public comment during the teleconference meeting by following the dial-in instructions on the agenda.
