

About the SASH Installer, GRID Alternatives, honored as a *White House Champion of Change* on April 17, 2014, in Washington D.C. . . .

GRID Alternatives is a licensed solar installer and nonprofit that manages the [SASH program](http://www.gridalternatives.org) (www.gridalternatives.org).

GRID's mission is to make renewable energy technology and job training accessible to underserved communities.

GRID provides full service client application support, project management, installation, and industry-standard labor and equipment warranty.

GRID also uses installations as training opportunities for volunteers and job seekers.

To determine whether your household is **likely** eligible for a SASH solar incentive go to the link on the home page, "Determine eligibility for Low-Income SASH," or send an email to baoutreach@gridalternatives.org or call (510) 731-1333. Please note, as the Program Administrator of the SASH program GRID Alternatives has the sole authority to determine eligibility.
